The applicant hereby understands and agrees to the following provisions:

That a service charge must be paid for each service at City Hall before the service can be extended. That there cannot be any cross connections between city services and private services. That all bills are due and payable by the 10th of each month, or service will be discontinued.

That each residence (house, apt., trailer, business, etc.) shall have a separate meter. No two dwellings can operate off one meter. That where a private service has been used, the disconnect from this service must be inspected by a City Official before they are permitted to tie on to the City Service.

That the City reserves the right to come on private property to check, repair, or to maintain the services, & to keep them in working order. That the customer understands and agrees to all provisions listed under Title 18 and 19 (water, sewer, and gas) of the Madisonville Municipal Code, beginning with Section 18-101 through 18-124 and Section 19-101 through 19-123. A copy can be provided upon request.
